Emergency Contact Directory

Health Care Facilities in Western Pennsylvania

This Emergency Contact Directory is intended to assist in promoting and ensuring that equipment, communication and data interoperability are incorporated into each health care facility's planning and response. This Directory will assist each participating facility in the collection and distribution of consistent and accurate information during an incident or event.

All communications during any exercise, incident or event should use plain language. Codes or other institution specific terms are to be avoided.

County Emergency Management Agency (EMA Contacts)

To determine each county Emergency Management Agency's (EMA) current contact information, go to the PEMA web site (<http://www.pema.state.pa.us/>) and click on the "County EMA Coordinators" listing on the left side of the home page.
