Older Adult Services: Strategies and Solutions

SAVE THE DATE: Join in the second of a four-part community-wide educational program and interactive conversation about state models, policies and proposed funding related to Older Adult Services in western Pennsylvania. Have a voice in this important conversation on a topic that impacts the entire western Pennsylvania community.

LEARN FROM AND INTERACT WITH state experts on proposed policies, possible solutions and related funding mechanisms for programs that impact older adults. These speakers bring the latest news from Harrisburg and will provide an overview of the most current policy discussions related to older adult services. The program will conclude with a panel discussion.
